

**FIRST HALF SUMMER 2021
MEMBER CONTRACT
BERKELEY STUDENT COOPERATIVE
TERMS AND CONDITIONS OF RESIDENCE**

This CONTRACT entered into this day, by and between the Berkeley Student Cooperative (BSC), and the undersigned, hereafter referred to as Member. **WITNESSETH:**

1. **MEMBERSHIP QUALIFICATIONS.** Registered students at the University of California at Berkeley and other students who meet the criteria established by the BSC Board of Directors qualify for current membership in the BSC. In order to remain eligible for current membership in the BSC, a person must either remain a registered student at the University of California at Berkeley or submit the required forms and secure the approval of the Housing Staff and/or Administrative Committee in advance of each semester of residency. Should a Member become ineligible, they shall quit the premises immediately upon the conclusion of the last semester of eligibility. However, it shall be the responsibility of the Member to properly cancel this agreement in anticipation of that quitting. In unusual circumstances, applicants may be required to demonstrate to the satisfaction of the Administrative Committee their ability to perform the terms and conditions of this contract. BSC reserves the right to deny membership or renewal of membership to any person. This agreement, *inter alia*, creates a tenancy within California Civil Code Section 1940(a).

2. **DESCRIPTION OF PREMISES.** In consideration of the performance of all the covenants and conditions herein, as of the effective date of residence, the BSC does hereby undertake to provide room or room and board service to Member as described below. **This Contract does not guarantee specific apartment complexes, apartments, houses, rooms, room sizes, or roommates, and the BSC reserves the right to reassign members within the BSC, at any time during the term hereof, in order to make the most effective use of available space, or for any other reason to further the harmony, effectiveness or other organizational goals that the Board of Directors may from time to time determine. As such, Member may have exclusive or non-exclusive rights to use the apartment/bedroom they are assigned (depending on whether or not they are assigned a roommate(s)) and non-exclusive rights to use the common areas of the unit to which they are assigned.**

3. **PERIOD OF RESIDENCE.** The effective date of residence shall be the first day of the Summer as defined below, or the date this contract is accepted, whichever is later. This contract is for Summer, commencing May 23, 2021 and ending July 3, 2021. Members not remaining in the same unit for the second summer term must vacate by midnight on the last day, July 3, 2021.

4. **RESIDENCE CHARGES.** The residence charges per Member per semester are as follows:

Unit	Summer (P1)	Unit	Summer (P1)
Room Only	\$1,000.00	Fenwick 1-bedroom	\$1,584.00
Room & Board House	\$1,344.00	Fenwick 1-bedroom (shared)	\$951.00
HiP Standard Single	\$1,344.00	Fenwick 2-bedroom	\$1,217.00
HiP Deluxe Single	\$1,413.00	Fenwick 3-bedroom	\$1,102.00
Rochdale Studio	\$1,256.00	Fenwick 4-bedroom	\$1,013.00
Rochdale 2-bedroom	\$1,094.00	Northside Studio	\$1,262.00
Rochdale 3-bedroom	\$944.00	Northside 1-bedroom	\$1,675.00
Rochdale 4-bedroom	\$844.00	Northside 1-bedroom (shared)	\$1,006.00

Due to the decentralized nature of the organization, and the uncertainty regarding operating costs, the Board of Directors may increase semester residence charges in any amount not to exceed 10 percent of the total semester's residence charges, or may

decrease the residence charges if economic conditions warrant. In addition, residence charges will also include potential habitability fines assessed to Members which are used to remediate issues related to house-keeping, cleanliness and safety standards, any amount determined by the unit to pay for the reasonable value of any workshift hours not performed in accordance with this contract, utility and decentralization budget overruns, internet/telephone bills paid by the unit or the BSC, and other incidental expenses incurred by the BSC in making services or activities available to the member. Each member shall also perform any workshifts required by the unit as part of the consideration in exchange for this contract.

5. FOOD SERVICE. Food service is only available at Davis, Hillegass Parker, Hoyt, Kingman, Lothlorien, Wilde, and Wolf during Summer 2021. There will be no meal service provided at other units. The summer food service program is run at the unit level, and all decisions related to meal service are made by the unit.

6. UTILITIES. Northside, Rochdale Village and Fenwick Weavers' Village Apartments: The consumption/use of gas, electricity, water, and garbage is budgeted by the BSC. The BSC shall pay for gas and electricity on any shared meters serving the entire complex, water, and garbage up to but not in excess of the established budgets. Budget overages shall be paid by the Members. Apartments at Fenwick and Northside are individually metered for electricity and residents of each apartment must establish, pay, and maintain their own PG&E accounts for electricity within their own apartment. Apartments at Rochdale are on one shared meter and as such electricity within apartments is provided as part of this contract. **Room only & room and board houses:** The consumption/use of gas, electricity, water, and garbage is budgeted by the BSC. The BSC shall pay for gas, electricity, water, and garbage up to but not in excess of the established budgets. Budget overages shall be paid by the Members. **All Units:** All other utilities are not included in this contract and shall be paid by the Members.

7. PAYMENTS. Residence charges are due in full in advance. All Members must pay a \$250.00 security deposit (\$175.00 for EOP students). In addition, new BSC members must pay a non-refundable membership fee upon entrance. Residence charges become delinquent if not paid on or before the due date. A \$20.00 service charge shall be assessed immediately for each delinquent payment with an additional \$40.00 late charge assessed against any account remaining in arrears two weeks after the payment due date. Delinquent payments shall bear interest at the rate of 12.0% per annum on any remaining balance. The Member will be assessed a returned payment fee in the event any check or other form of payment is returned for lack of sufficient funds, a stop payment, or any other reason. Member agrees that this amount represents a fair and reasonable estimate of costs incurred by the BSC in this instance. Member also agrees that, in the case of default in the payment of any said installments, the entire unpaid balance of said residence charges noted above shall, at the option of the BSC, be due and payable, of which election notice is expressly waived.

8. BREACH OF CONTRACT. The BSC incurs administrative expenses in the event the Member breaches their contract. These administrative expenses include, but are not limited to, advertising for replacements, locating and contacting replacements, determining and computing the Member's prorated residence charges, and collecting any amounts due or refunding any credit balances. The BSC has attempted to determine the exact amount of these damages suffered by the BSC in the event of breach by Member, and has concluded that the exact amount of damages cannot be ascertained. However, the Member and the BSC agree that \$75.00 is a reasonable approximation of the damages. **Liquidated damages in the amount of \$75.00 will therefore be charged to the Member who breaches this contract.** Payment of such liquidated damages shall be in addition to the requirement of the Member to fully perform their obligations under this contract, including the obligation to make any and all payments specified by its terms, until the BSC finds an acceptable substitute to assume this contract and releases the Member from this contract. In the event of breach by Member, the BSC may require full payment of all sums due under this contract upon notice to Member of said balance.

9. CANCELLATION OF CONTRACT. In the event either party refuses to take up this contract upon the starting of the term except as otherwise provided herein, such party shall be liable for any reasonable damages proximately caused thereby. This contract may be cancelled by either party without penalty by giving **written notice on or before April 7, 2021.** Cancellation or quitting by Member after these dates will be considered breach by Member according to Article 8. **Such cancellation or quitting shall not relieve Member of liability for residence charges, nor shall it relieve Member of liability for all other amounts due under this CONTRACT.**

If the BSC is unable to deliver possession of premises at the commencement hereof, the BSC shall not be liable for damage in excess of the BSC per diem rate. This agreement shall be voidable at the sole selection of Member, and Member shall not be liable for any residence charges until possession is delivered.

In the event a Member quits the premises before the term is up, the BSC is expressly authorized to re-enter the room for the purpose of re-letting. Upon written notice of such cancellation, the BSC agrees to make all reasonable efforts to replace the Member and reduce the Member's charges accordingly. Members who cancel or quit after the deadline are placed on a list, (the Replacement List), in the chronological order in which notice is received. When a new applicant signs a contract with the BSC, such new applicant shall be deemed to replace the next Member on the Replacement List, specific to the premises to which such new applicant is assigned. Cancellation is a firm commitment to leave and the BSC is hereby authorized to assign another applicant to Member's apartment/room and move Member elsewhere until released from their contract. Member may alternatively be replaced by finding their own replacement, provided the replacement is not a returning BSC Member or already on the BSC waiting list for the given term. (Note: This replacement may not necessarily be assigned to the same unit/apartment/room as the cancelling member).

10. SECURITY DEPOSIT. If a Member satisfactorily fulfills the terms and conditions of this contract, the balance of the security deposit will be refunded after the last semester of residence and after all outstanding bills are determined and paid. It is the Member's responsibility to notify the BSC of their last semester of residence in order to facilitate the return of Member's deposit. In addition, Member agrees to compensate the BSC on demand for any expense or damage caused by Member's willful abuse or neglect or failure to exercise reasonable care; or alternatively, the BSC may allow Member to clean and/or repair said premises, subject to the BSC's reasonable satisfaction. Member understands and agrees that Member is liable for any damage beyond normal wear and tear, whether done intentionally, negligently or accidentally. At the termination of residency, Member agrees that the premises may be reasonably cleaned, and repaired by the BSC at cost to Member, and the BSC agrees to refund to Member that portion of the deposit which exceeds the Member's obligation for reasonable cleaning and/or repair, willful abuse or negligence, and unpaid residence charges as outlined in Article 4. Member understands and agrees that the BSC will attempt to return any remaining security deposit to the Member at the Member's forwarding address, and the Member may receive the full amount of the remaining security deposit or elect to donate all or part of the remaining security deposit to the BSC or direct that all or part of the remaining security deposit be applied to the cost of a membership in the BSC Alumni Association. Member understands and agrees that if the Member does not reply to the BSC's written communications attempting to return the Member's deposit to the Member's forwarding address within three years of the termination of residency, then the BSC will cease attempts to return the deposit to the Member and will treat the deposit as a donation by the Member to the BSC and the deposit will become property of the BSC.

11. E-MAIL AS OFFICIAL COMMUNICATION WITH MEMBER. It is the responsibility of the Member to provide the BSC with a current, valid email address. Member agrees to immediately notify the BSC of any change in email address and to regularly monitor their account to ensure they are receiving communications from the BSC. Communications sent to the Member provided email address is the BSC's sole, official means of communication with the Member, unless alternate modes of communication are required by law. The BSC expects that such communications will be received and read in a timely fashion. Member is responsible for all information, including attachments, sent to them via their provided email address. If a Member chooses to forward their email address, they are responsible for all information, including attachments, sent to any other email address.

12. DEFAULT/FAILURE TO PAY RESIDENCE CHARGES AND/OR PERFORM COVENANT. In the event a Member fails to pay residence charges (as defined in Article 4) when due, or other amounts owing, or fails to render any performance required of the Member on demand under this contract, the BSC may serve a Notice to Pay, Perform Covenant, or Quit, as appropriate, as provided by California law. Member shall thereupon pay the amounts owing, perform the covenants required or peaceably surrender the premises. Should the Member choose to quit the premises, the provisions of Articles 8, 9 and 10 shall apply. Should the Member fail to comply or surrender the premises within the time allowed, the BSC shall have all its statutory remedies as provided by Chapter 4 of Title 3 of Part 3 of the California Code of Civil Procedure including the right to recover treble damages in an appropriate case. Liability for any residence charges under this contract shall be individual only. In the event this agreement is an extension or renewal of a prior agreement and Member is, for any reason, in default under such prior agreement, such default shall be deemed a default under this agreement and the BSC may exercise its remedies hereunder.

13. TERMINATION OF CONTRACT BY THE BSC. 15-day notice of pending membership and contract termination will be provided by the BSC. The Member shall have an opportunity to appeal the termination not less than five days before the effective date of termination. The BSC may terminate this contract under the following circumstances:

- A) Failure of the Member to meet any of the membership qualifications or obligations placed upon them by this contract, the BSC By-Laws, the Administrative Code, Policy Directory, the BSC Articles of Incorporation, or the Constitution and By-Laws of their respective unit subject to the procedures prescribed by the By-Laws of the BSC. Such failure will be considered breach by Member and disposition of the Member's deposit will be according to

Articles 8 and 10.

B) Failure of the Member to meet any of the membership qualifications or obligations, including monies owed, placed upon them during any previous contract period by that contract, the BSC By-Laws, the Administrative Code, Policy Directory, the BSC Articles of Incorporation, or the Constitution and By-Laws of their respective unit subject to the procedures prescribed by the By-Laws of the BSC. Such failure will be considered breach by Member and disposition of Member's deposit will be according to Articles 8 and 10.

C) When a contract holder or applicant does not claim their reservation by Sunday of the first week of the semester or notify the BSC office prior to the date of the late arrival, the BSC shall consider the contract holder to be in breach of this contract according to Article 8 as of the following Friday.

D) If a Member with a reservation for the following semester leaves a balance owing on the last day of the semester, their contract for the following semester may be terminated. Such failure to pay shall be considered breach and disposition of the Member's deposit will be according to Articles 8 and 10.

E) If a Member has a health condition which in the opinion of a competent medical authority endangers the health of the other Members. Disposition of the Member's deposit will be according to Articles 8 and 10.

F) If, in the opinion of the BSC Executive Director, BSC President, and their Unit Manager/President, the Member constitutes an immediate danger to the safety of other BSC Members or themselves. A 3-Day Notice to Quit will be immediately served in this circumstance and the Member will be expected to vacate the premises prior to the expiration of the 3-Day Notice and refrain from visiting any BSC properties. However, the Member will still be afforded the opportunity to appeal the termination as outlined above. Member shall be considered to be in breach of this contract and disposition of the Member's deposit will be according to Article 8 and 10. In the event the Member's appeal is granted and termination overturned (and only in this event) the Member may return and resume residing and/or boarding at the BSC.

14. TERMINATION OF CONTRACT BY MEMBER. Upon request of the Member, the Administrative Committee shall terminate the Member's contract without liquidated damages or other penalty except as provided in Article 10 for the following reasons, provided, however, they do not delay in notifying the BSC:

A) If the Member is forced to leave the BSC due to non-acceptance by the University or withdrawal enforced upon the Member by the University.

B) If the Member is forced to leave the BSC due to illness sufficiently severe to require withdrawal from the University.

C) If the Member is involuntarily inducted into active military service.

D) If the Member is forced to leave the BSC due to unforeseeable absolute economic hardship or family crisis as judged by the Administrative Committee.

E) If the Member is forced to leave the BSC due to circumstances entirely beyond their control, as judged by the Administrative Committee.

F) Death of the member.

15. TERMINATION AND SURRENDER. At the end of the term of residence, Member shall peaceably leave and surrender the premises. Upon failure to surrender the premises, Member shall be liable for damages at the per diem rate of the expired contract and any and all other damages caused by the Member's action.

16. CONDITION OF HABITABILITY. This contract is expressly conditioned upon the continued habitability of the premises. The BSC agrees to place the premises in good repair before Member begins occupancy, and to keep such premises in good repair during the term of residence. Member agrees to use reasonable care in use of the apartment/room and premises, to keep the apartment/room and premises clean and free of obstructions, dirt, trash, filth or safety hazards. Member agrees to cooperate with other Members of the apartment/unit with regards to house-keeping to ensure that the unit is kept clean, safe and habitable as outlined in the BSC Habitability Policy. Failure to do so may result in additional residence charges as outlined in Article 4. If, through any natural or extraordinary force, the premises are damaged or made uninhabitable as defined in the BSC Habitability Policy, at the option of either party, the contract shall be terminated; provided however that the Member shall give the BSC reasonable opportunity to repair said damage as defined in the BSC Habitability Policy before terminating their contract. The parties agree that no statutory, or otherwise, rules of law are waived by this paragraph. Members are individually responsible for loss or damage to their rooms, and Members of an apartment/unit may jointly be responsible for loss or damage to the common areas. Member agrees to leave the apartment/room and premises in good condition.

17. **ALTERATIONS.** Member may make no alterations or modification in the physical structure of the premises. Member may however, make changes in decorations. Member may paint at their own expense; provided however, the Member secures the BSC's express approval in advance. Member agrees to compensate the BSC on demand for any expenses or damage caused by Member's willful abuse or neglect or failure to use reasonable care; or alternatively, BSC may allow the Member to clean and/or repair said premises, subject to the BSC's reasonable satisfaction. At the termination of painting, Member agrees that the premises may be reasonably cleaned and/or repaired at cost to Member. BSC agrees to refund that portion of the Member's deposit that exceeds the Member's obligation for reasonable cleaning and/or repair. The premises are equipped with functioning smoke and carbon monoxide detectors. Member will be responsible for regularly testing battery operated devices and reporting any problems, maintenance, or needs for repair to their unit-level manager. Member agrees not to remove the batteries from or otherwise disable any smoke detectors or other life safety equipment.

18. **INVENTORY CONDITION REPORT.** Each Member is entitled to the following furniture in their room: one bed frame, one mattress, one dresser, one desk, and one chair. Member acknowledges receipt in good condition. If said inventory is incorrect in any particular, a statement of objections or defects shall be delivered to the BSC within three (3) days after the first day of the contract period; otherwise it shall be conclusively presumed that the inventory is correct in all particulars. At the end of the term of residence or otherwise upon vacating, the Member shall be responsible for restoration of premises to the same condition as at the beginning of occupancy, reasonable wear and tear excepted.

19. **LIABILITY FOR THEFT & INJURY.** Member is advised the BSC does not provide any insurance with respect to Member or Member's personal property. Member is advised to consider the purchase of suitable insurance for Member's protection. Member agrees to indemnify and hold BSC, its agents and employees, harmless and in no way accountable for any damage or injury to Member, or any other person, or for the loss of or damage to any property occurring on the premises or any part thereof, including common areas, unless caused by the BSC.

20. **ACCESS TO MEMBER'S ROOM.** The BSC may enter the Member's room/apartment in order to place a new member in the room/apartment, provided the remaining Members of the room/apartment have been made aware of any vacancy. The BSC may make any reasonable health, safety, or maintenance inspection of the Member's room with the consent of the Member, or with twenty-four (24) hour written notice in advance to the Member. Such inspection shall be made at reasonable times and in no event prior to twelve noon on weekends. In the case of an emergency the BSC may enter the Member's room at any time without the consent or approval or notice to the Member.

21. **MEMBER'S RIGHTS.** Each Member shall have the following right:

- A) To attend all meetings and have the same right to speak as Directors except during executive session
- B) To cast one vote at all Membership Meetings and polls.
- C) To make and second resolutions, motions, or approvals at meetings and
- D) To reside at or use the facilities of the corporation to which the Member has been assigned.

22. **MEMBERSHIP REQUIREMENTS.** Membership in the BSC requires current residence or boarding at the BSC. A contract holder's failure to claim their reservation at the BSC prevents the contract holder from claiming membership in the BSC.

23. **WORKSHIFT REQUIREMENTS.** Each Member is obligated to perform faithfully and as efficiently as possible all work assigned under the workshift system as part of the consideration in exchange for this contract. Any work performed under the workshift system shall be considered an obligation of membership inherent in cooperative living. Failure to perform workshift shall be grounds for termination of membership under Article 13, and a breach of contract by Member according to Article 8. Member agrees to pay the unit for the reasonable value of any workshift hours not performed as outlined in BSC and unit-level Workshift Policies.

24. **RULES.** It is expected that the Member shall acquaint them self with, and abide by, all rules and regulations of the BSC, including, but not limited to the agreements and conditions of this contract, the BSC By-Laws, Administrative Code, and Policy Directory, and the rules and regulations of the Member's unit. In accordance with the By-Laws and Administrative Code of the BSC, the BSC may consider Member's failure to comply with the aforementioned rules and regulations to be grounds for termination of membership under Article 13, and a breach of contract by Member according to Article 8. Such rules and regulations are on hand, and may be examined at the BSC Office, as well as on the BSC website. The BSC shall not be responsible to the

Member for violation or non-performance by any other Member of any such rules. Failure, willful or otherwise, by the BSC to enforce any rule shall not be a waiver of its right to subsequently enforce such rules.

A) Non-transferability (subletting). This contract is NON-TRANSFERABLE and may not be sold, transferred or assigned in whole or in part. Violation of the covenant shall be considered breach by Member according to Article 8.

B) Guests. The BSC Guest Policy allows members to host a guest for up to 7 days (consecutive or non-consecutive) with roommate's permission, and up to an additional 7 days with unit council approval. Members violating this covenant by allowing guest(s) to stay beyond these time limits shall be considered in breach of contract according to Article 8.

C) Pets. Dogs, cats, and other warm-blooded animals are prohibited with the exception of service and assistance animals approved by the Housing Department. Violation of this provision will be considered breach by Member according to Article 8 of the contract, will require immediate removal of the pet, and may result in membership termination.

D) Peace and Quiet. Member agrees not to make any excess noise or create any nuisance such as will disturb the peace and quiet of other Members or neighbors.

E) Vacancies. If a vacancy occurs in a room, unit, or apartment, the remaining Member(s) agree(s) to accept a new occupant to fill the existing vacancy. Behavior that discriminates against a newly assigned or prospective occupant will be considered grounds for termination of this contract.

F) Use. Member agrees that the premises shall be used exclusively for residential purposes save to the extent that Member may conduct a trade or business customarily carried on in or from the home, subject to any applicable zoning ordinances or regulations of the appropriate municipality.

G) Dangerous Materials. The possession of firearms, volatile solutions, explosives, fireworks, or other dangerous weapons or materials is strictly prohibited in or on the premises.

H) Bicycles and Motorcycles. Motorbikes and motorcycles are not permitted inside the unit. Bicycles may not be kept in stairways, hallways, entryways or other public areas that are not designated for bicycle storage.

I) Neighbor and Community Relations. Each Member is obligated to respect all rights of neighbors and to protect the organization from public censure arising out of individual or group conduct which may be construed as representative of the organization.

J) Unlawful Activities. Member agrees not to use the premises or any part thereof for the conduct of unlawful activities.

K) General Conduct. The BSC has specific policies governing conduct in the units, including, but not limited to, assault, harassment, sexual harassment, host, alcohol, party and substance abuse policies. Member agrees to read and abide by these policies. Failure to follow BSC conduct policies will lead to a range of sanctions up to and including termination of this contract and BSC membership.

25. **SMOKING.** Smoking is prohibited in Member's unit (i.e. bedroom) and all common areas of the multi-unit residence. It is a violation for Member, or any other person subject to the control of the Member or present by invitation or permission of the Member, to engage in smoking in the Member's unit or any common area of the multi-unit residence. This smoking prohibition is a material term of this contract and failure to abide by this covenant may result in membership termination and shall be considered a breach of contract by Member according to Article 8.

For purposes of this Article, the terms "smoke", "unit", "common area", and "multi-unit residence" are as defined in the Berkeley Municipal Code, Chapter 12.70. The use of medical cannabis by a person for whom using medical cannabis is not a crime under California law shall not constitute smoking in a unit of a multi-unit residence.

26. **INTERPRETATION OF CONTRACT.** This instrument shall constitute the sole agreement between the Member and the BSC. Interpretation of this contract shall be the responsibility of the Administrative Committee. The Administrative Committee is responsible for processing appeals of Members regarding interpretations of this contract, payment of bills, delinquencies, fines, request for refunds, and for interpreting the Administrative Code. The Administrative Committee is composed of BSC members. Actions by the Administrative Committee are subject to approval by, and may be appealable to, the Board of Directors and/or committees established by the Board of Directors to hear such interpretations/appeals. If any section or part of this agreement is deemed illegal or inoperative by operation of law, all other provisions of this agreement shall remain in full force and effect. The Member and the BSC assume that the statements made on this contract are correct and that the signatures hereon are valid.

27. **CHANGES IN CONTRACT.** The BSC and Member agree that no modification or changes may be accomplished without the written consent of both parties, except as provided herein. Member agrees to adhere to these conditions.

28. **LEGAL PROCEEDINGS AND COLLECTION FEES.** If the BSC is required to serve any notices requiring compliance with any of the terms of this agreement, the BSC may charge the Member's account for any expenses the BSC incurs. In any other action or legal proceeding to enforce any part of this agreement, each party will be responsible for their own attorney's fees and court costs, subject to any local ordinances that may apply. Member is advised that a negative credit report reflecting on their credit record may be submitted to a credit reporting agency for failure to fulfill the obligations under the terms of this agreement. If the BSC is required to use the services of an outside agency in collecting monies owed by the Member, the cost of collection shall be charged to the Member.

I HEREBY SWEAR AND AFFIRM THAT I AM A REGISTERED STUDENT AT THE UNIVERSITY OF CALIFORNIA AT BERKELEY, THAT I MEET THE CRITERIA ESTABLISHED BY THE BSC BOARD OF DIRECTORS FOR OTHER STUDENTS, **OR** THAT MY ELIGIBILITY HAS BEEN APPROVED BY THE ADMINISTRATIVE COMMITTEE. This CONTRACT is expressly conditioned upon the truth of this statement. I authorize the University of California (or my alternate academic institution) to release any and all information required to verify such status upon the request of the BSC. I understand that if any part of this statement or the information I provide herein is found to be false, I shall be considered in breach of this CONTRACT according to Article 8. I hereby affirm that I have never left the BSC in bad standing or, if so, my eligibility to return has been approved by the Administrative Committee. I accept this CONTRACT and agree to abide by the covenants herein. I acknowledge receipt of a copy of this CONTRACT and further understand that this CONTRACT may be cancelled without penalty by giving **written notice to the BSC Central Office as outlined in Article 9.**

All communications from the Member to the BSC regarding this contract or any condition herein, including its cancellation or payment of residence charges, must be presented in writing to the BSC Central Office at 2424 Ridge Road, Berkeley, California 94709. **The Member is responsible for ensuring that all such communications are received by the BSC Central Office on time.**

CONTRACT: NOTICES AND DISCLOSURES

Mold. Mold is a naturally occurring organism that feeds on organic matter. When items covered with mold are disturbed, mold spores may be released and may cause some people to experience negative health effects. The premises to which you have been assigned should be free of any mold, mildew, standing water or excessive moisture. If upon entering your assigned premises for the first time you discover mold, mildew, moisture or standing water, you are required to notify one of your unit level managers immediately so that the BSC can assess the situation and take appropriate action to clean the premises. You agree that in using the room assigned to you by the unit during the term of this contract, you will maintain the assigned room, and any commonly shared areas of the premises or unit, in a clean manner to inhibit the growth of mold. Maintaining the cleanliness and dryness of your premises includes, but is not limited to, regularly cleaning, especially sink and shower areas, and promptly removing all trash; preventing water from entering your premises by closing windows during adverse weather events and promptly drying any puddles or areas of dampness; and maintaining air circulation within your premises by keeping wall coverings to a minimum and running fans or opening windows when weather permits.

Lead paint and asbestos. The State of California, as well as federal agencies have identified a number of materials and/or chemicals known or thought to cause adverse health effects when people are exposed to them. Asbestos is a material that was common in many building products used in structures built prior to 1981, which includes many student housing facilities. Additionally, housing facilities built prior to 1978 may contain lead paint. The BSC tests for and abates asbestos, lead paint and other hazardous materials as part of any renovation project that will disturb these materials. Otherwise, the BSC follows a practice of maintaining such materials in place. The premises to which you have been assigned should be in good condition and repair. In the event that there is damage or other maintenance problems at the time you move into the premises, you are required to notify one of your unit level managers immediately so that the BSC can assess the situation and take appropriate action to repair any damage or perform any required maintenance. During your period of contract for use of the BSC facility, it is your responsibility to not damage the premises, including peeling or chipping the paint, ceiling, or floor tiles, and to immediately report any instance of damage. You must not make any alterations to the premises, including but not limited to: drilling or puncturing holes in the floors, walls or ceilings, changing light fixtures or otherwise disturbing the walls, floors and ceilings.

Pest Control. The BSC contracts with a pest control company for the prevention and removal of common residential pests. A copy of the notice by the pest control company is available through Central Office. Please ask your maintenance manager if you

wish to review a copy of this notice. Please assist the BSC in minimizing pest problems by maintaining your assigned apartment/room and other spaces in a clean manner. You agree that you will properly store any food and dispose of any food containers and other items, and you agree that you will promptly remove trash.

Bed Bugs. Bed bugs are a growing concern across the nation and are becoming a significant issue in multi-unit dwellings, such as apartment complexes, hotels, dormitories, and student housing cooperatives. Your cooperation in the prevention, detection, and treatment of bed bugs is critical for the prevention and control of bed bugs.

Prevention: To reduce the risk of bed bugs, your responsibilities include, but are not limited to: regularly cleaning your assigned room and promptly removing trash; ensuring that any furniture or bedding brought into your assigned room or apartment is free of bed bugs; and preventing the introduction of bed bugs into your unit by ensuring that no bed bugs have “hitch-hiked” on your luggage, clothing or other belongings after trips away from home.

Cooperation: If you suspect an infestation in your unit, it is your responsibility to promptly provide notice to your House and/or Maintenance Manager. If a bed bug infestation is identified in your unit, you are responsible for complying with the inspection and treatment preparation and follow-up procedures required by the pest control operator used by the BSC as well as providing them with information necessary for the detection and control of bed bugs.

Bed Bug Information: Bed bug Appearance: Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.

Life Cycle and Reproduction: An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.

Bed bugs can survive for months without feeding.

Bed bug Bites: Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.

Common signs and symptoms of a possible bed bug infestation:

- Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
- Molted bed bug skins, white, sticky eggs, or empty eggshells.
- Very heavily infested areas may have a characteristically sweet odor.
- Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.

If during your use of the BSC facility, you discover mold in your premises, or you cause or discover any damage to the premises, or if you believe there is a pest problem, you agree that you will immediately contact one of your unit level managers so that the BSC can assess the situation and respond appropriately.

Notice of Tenant Protection Ordinance

In March 2017, the City Council adopted the Tenant Protection Ordinance, to prohibit illegal evictions through the use of fraudulent and/or misleading representations, intimidating conduct, and coercive conduct.

Among other things, the Tenant Protection Ordinance prohibits conduct that may coerce a tenant to vacate a rental unit involuntarily. The following is only a summary of the illegal conduct; for a complete list, you are advised to review the attached copy of the Tenant Protection Ordinance, or review Berkeley Municipal Code 13.79.060.

Landlords must not, in bad faith, engage in any of the following conduct:

- Lies, threats, or use of violence to induce a Tenant to move.
- Threats regarding immigration status.
- Disruption of services to the rental unit.
- Interference with the right of privacy, including inquiries about immigration status.
- Abuse of the right of access to the rental unit.

- Exploitation of disabilities or other traits of the Tenant.
- Failure to perform and complete repairs in a timely and professional manner.
- Threats not to perform repairs and maintenance.
- Failure to accept or acknowledge receipt of a Tenant's rent, or to promptly deposit the rent, or to refuse to provide a receipt.
- Violations of the Tenant Buyout Ordinance (B.M.C.13.79.050)
- Engagement of any Tenant in any form of human trafficking as a condition of that Tenant's continued occupancy of a Rental Unit.

Note: A tenant aggrieved by violations of the Tenant Protection Ordinance may bring a civil action in court against the landlord. Violators may be held liable for damages (including emotional distress, and an additional penalty of up to \$5,000 for each violation against any person who is disabled or age sixty-five or over), court costs, and attorney's fees. For violations related to repairs, Tenants must first provide fifteen days' notice of the violations (see B.M.C. 13.79.060.E.2).

The City, or the Rent Board at the City's behest, may also file a civil action to enforce the Tenant Protection Ordinance.

If you are experiencing any of the conduct detailed above, you may contact the Rent Board for more information, at (510) 981-7368 or rent@cityofberkeley.info.

This disclosure notice is required to be provided at the inception of any tenancy beginning after April 2017, and must be included with any eviction notice. Failure to include this notice is a defense to unlawful detainer (eviction).
